APPLICATION FORM

The Cartier Women's Initiative team, its partners and the jury will treat all business information submitted with utmost confidentiality. Aside from a brief summary (business name, brief description, field of industry) of the businesses selected, no individualized information will be made available to the public without the prior authorization of the candidate.

This document outlines the questions asked in the Science & Technology Pioneer Award application form. We strongly recommend that you first write your answers in a separate draft document, then copy and paste them into the online form once you are finished.

Please note that if your business is shortlisted, you will be asked to provide additional supporting documentation. Unfortunately, due to high volume of applications we are unable to provide individual feedback to non-finalists.

NOTE: We accept only one application per business. Businesses that submit applications to multiple award categories will be disqualified. Please refer to FAQ to pick the category where your business fits the best.

- We highly recommend that you not wait until June 30, 2022 to submit your application in case of technical difficulties.
- You may still access your account once the deadline is past to check the status of your application and to download a PDF version of your application.

Types of questions:
- Questions featuring an asterisk (*) are mandatory. Questions with no asterisk are optional.
- Questions featuring the indication “numerical data only” may only contain positive integers (1, 2, 3), negative integers (-1, -2, -3), zero (0), decimals and non-numeric characters such as (+), (-), (,) and (,).
- The character limit for each question is indicated in red brackets.
**ELIGIBILITY**

1. **Location of operations***
   *If your company is operating in several locations then please indicate the location in which your company is having the most social and/or environmental impact.*

2. **Is your business early-stage?***
   *The business should be in the initial phase of its development or growth. It must have at least a proof of concept, a prototype, or be in the process of producing one (minimum TRL 4) and must not have been commercializing its final product/service for more than 6 years.*

3. **Is your business for-profit?***
   *The business should be designed to generate sufficient revenue to support its operations and return some level of profit to its owners. Non-profit enterprises are not eligible. That said, the business does not have to be profitable at the time of application.*

4. **Select the entity type which best reflects the current state of your company:**
   *Your company must be an original creation, wholly conceived of by the team; a completely new concept, meaning it cannot be a spin-off or franchise of an existing concept. University spin-offs are eligible.*
   
   Please read the following definitions if you are unsure:
   - Spin-offs are divisions of companies or organizations that then become independent businesses with assets, employees, intellectual property, technology, or existing products that are taken from the parent company.
   - A franchise is a type of license that a party (franchisee) acquires to allow them to have access to a business's (franchisor) proprietary knowledge, processes, and trademarks in order to allow the party to sell a product or provide a service under the business's name.
     - Spin-off
     - University spin-off
     - Franchise
     - Independent business entity
     - Other (Please specify)

   **If independent business entity, is your business a sole proprietorship?***
   *A sole proprietorship is an unincorporated business that is not a separate legal entity from the business owner. The business owner has unlimited liability (i.e. the business owner is personally liable for all the debts and losses of the sole proprietorship). It is also known as individual entrepreneurship, solo trader, or simply proprietorship.*

5. **Is your business based on the development of a new technology, a complex engineering process, or a scientific discovery, and not only on a disruptive business model?***

6. **Does your business contribute to at least one of the UN Sustainable Development Goals?***
   *The United Nations Sustainable Development Goals (SDGs) are a collection of 17 global goals set by the United Nations General Assembly in 2015 for the year 2030. The SDGs are a call for action by all countries to promote prosperity while protecting the environment. They cover a series of social, economic, and environmental development issues.*

7. **Do you (the applicant) identify as a woman?***

8. **Do you fill one of the main leadership positions?***
The main leadership positions include, for example CEO, COO, CTO, General Manager, or Managing Director of the business.

9. Is the business majority owned by its founders and team members? *

10. Is the majority of founder equity (not total equity) controlled by a woman or multiple women? *

11. If not, are you (the applicant) part of this business’ founding team? *
   - Yes
   - No

   If part of the founding team, is your share of the business greater or equal to that of your co-founder(s)? *

   If not part of the founding team, is your share of the business greater or equal to that of the business (co)founder(s)? *

12. Are you at least 18 years of age on the day of the application deadline (June 30, 2023)? *

13. Do you have good command of the English language? *

   English proficiency is important because this is the common language for the Cartier Women’s Initiative team, its partners, the jury members and the overall community. Being proficient will allow the fellow to fully participate in the community and in the fellowship. Applicants with disabilities are encouraged to apply, and every effort will be made to include them appropriately.
THE CANDIDATE
Please note that the applicant should be the author of the application.

1. First name *
   Please provide the first name stated on your government-issued ID

2. Middle name *
   Please provide the middle name stated on your government-issued ID. If you do not have a middle name, please mark N/A.

37. Please list the top 3 metric(s) you use to measure the impact of your company.

Impact metrics are specific to each business model and might capture social and/or environmental impact; such as number of beneficiaries, CO2 emissions prevented; number of jobs created, etc.

Impact Metric n°1:
- Short description (250 characters)
- What are your results on this metric (e.g. since inception, in prior calendar year, etc.)? (250 characters)

Add another impact metric?
38. What are your top 3 markets and how you will address them? Please make sure you describe them and include the formula you used. (1000 characters) *

Total addressable market (TAM) = total number of customers in each market multiplied by the average annual revenue of a customer in that market. Ex: Let us say your company sold software suitable for companies with 100 to 500 employees at a flat rate of $1,000 per year. If your annual contract value (ACV) is $1,000 and you determine there are 5,000 possible accounts (total number of companies with 100 to 500 employees), your total addressable market would be $5,000,000 ($1,000 x 5,000). In addition to indicating your total addressable market, please also share the formula you used to calculate it.

Ex: 5000 companies with 100-500 employees, ACV of $1000.

Watch an explanatory video here. For more information please visit: https://corporatefinanceinstitute.com/resources/management/total-addressable-market-tam/.

Market n°1:
- Name
- Customer focus:

Competitor n°1:
- Name
- Website

Add another competitor?

40. Please upload your company’s competitive landscape, if available

Competitive landscape analysis should identify direct and indirect competitors and list their major strengths and weaknesses relative to your business.

41. What is your competitive advantage? (1000 characters) *

Competitive advantage refers to factors that allow a company to produce goods or services better or more cheaply than its rivals. These factors allow the productive entity to generate more sales or superior margins compared to its market rivals. Competitive advantages are attributed to a variety of factors including cost structure, branding, the quality of product offerings, the distribution network, intellectual property, and customer service. For more information please visit: https://www.investopedia.com/terms/c/competitive_advantage.asp.

42. Are you currently facing any regulatory issues and/or will be facing any in the future? (1000 characters) *

43. How will you manage those issues? (1000 characters)*
SUSTAINABLE BUSINESS & FINANCIAL MODEL

44. Please describe your business model. (1000 characters) *
   Describe how your organization creates, delivers, and captures value. Please include a business model for each segment/revenue stream of your business.

45. Please list the top 2 risks associated with your business model. *
   Key risks are usually assumptions that your business model is most sensitive to, or can affect your business model the most.

   - Risk n°1 (500 characters)
   - Risk n°2 (500 characters)

46. Please fill in the income statement below. If not applicable, please put N/A. All amounts should be converted to USD. (numerical data only)*
   A few points to keep in mind:
   • Please make sure that all monetary amounts listed have been converted to USD.
   • Please list all numbers in the following format: 1,000,000.00.
   • Revenue should exclude any grants received.
   • If you are not familiar with a term, please refer to following definitions:
     o Revenue is the income received from the sale of your products and/or services.
     o The cost of goods sold (COGS) is the variable costs associated with producing your products and/or services.
     o Gross profit is calculated by subtracting the cost of goods sold (COGS) from revenue (sales).
     o Selling, General & Administrative Expense (SG&A) includes all the costs not directly tied to making your product or performing your service. It is the sum of all direct and indirect selling expenses and all general and administrative expenses (G&A) of a company.
     o EBITDA is your company’s earnings before interest, taxes, depreciation, and amortization expenses are subtracted.
     o Net profit is the difference between revenue and all expenses (including COGS, SG&A, interest, taxes, depreciation, and amortization).

**Funding & Runway**

57. What is your monthly gross burn rate and how much runway do you have left? *(numerical data only)*

We are trying to assess the amount of time your company has before it runs out of cash. Gross burn rate is the total amount of spending each month on average. Runway (in months) is cash on hand divided by monthly gross burn rate.

Ex: If you have $500,000 in cash in the bank, and your monthly burn rate is $50,000, you have a 10-month runway.

Watch an explanatory video [here](https://www.metabeta.com/blog/burn-rate-runway-calculation/).

- Monthly gross burn rate (USD)
- Cash on hand (USD)
- Runway (months)

58. What was your last completed round of funding? *

- No funding
- Pre-seed
- Seed
- Series A
- Series B
- Series C+

   - Do you support women’s empowerment beyond your business operations?
ATTACHMENTS

Formats accepted by Submittable are listed on the following page.

Mandatory:
- Your resume
- Your presentation deck: We would recommend that you refer to these guidelines to create your deck. At the very least, please include a short description of each member of the management team. The deck should be no longer than 15 pages.
- Please disclose relevant information and documentation regarding any past or ongoing litigations, disputes with any regulatory bodies, pending bankruptcy proceedings and/or any legal issues, involving:
  o This business
  o The applicant
  o Other co-founders
  o Nothing to disclose
- A 1-minute video of yourself in which you answer the following questions:
  ● What is your motivation behind solving the problem that you have identified?
  ● What is the impact you wish to create through your solution?
  ● What do you wish to gain from/contribute to the Cartier Women’s Initiative community?

Further instructions for video:
  ● Please make sure your video does not go over 1 minute.
  ● Videos recorded via a webcam/mobile camera are acceptable. Voice clarity is the most important feature we are looking for.

Optional:
- Three additional attachments of your choice: image of product, brochure, press, articles, research, etc.
- If you have any academic references, please attach them.

Other official and legal documents will be requested at a later stage if your business is preselected.

I have read and agree to the Participation Terms and Conditions.
